

User Instructions (EN)

Product Description:

- **Product Name:** POSTER
- **Manufacturer:** ARTTOR
- **Country of Manufacture:** Poland / Europe
- **Model:** P2XAA91x61
- **Product Dimensions:** 91cm x 61cm x 0,1cm (35,83" x 24,02" x 0,04")
- **Product Weight:** 0,15 kg
- **Production:** Safe, odorless, and durable inks with deep color saturation are used during production. The print is made on high-quality Premium paper with a weight of 200 g/m². The poster is intended for self-hanging in a format chosen by the buyer.

Package Contents:

- 1 x poster
- 1 x installation instructions

The poster is rolled and placed in a protective plastic sleeve, then packed in a thick, round cardboard tube. The product is placed in an outer cardboard tube that provides additional protection. The inner spaces of the tube are filled with special cushioning material, such as film or foam, to minimize the risk of mechanical damage during transport.

Usage Recommendations:

- To maintain the aesthetic of the product, it is recommended to mount it in a way that secures all poster edges, protecting it from potential deformations.
- The poster is made of paper and is particularly susceptible to external factors such as moisture, sunlight, and high temperatures. We recommend a hanging method that provides protection for the poster's surface against potentially adverse environmental impacts.
- Dust should only be removed dry, using accessories designed for delicate surfaces.

Technical and Post-Sales Support:

In case of questions, doubts, problems, or other issues related to the use and mounting of the product, please contact the seller or directly with the manufacturer.

Manufacturer's Warranty:

- The manufacturer makes every effort to deliver a high-quality product to clients.
- The manufacturer provides the buyer with a 2-year warranty from the date of purchase.
- Under the warranty, the manufacturer is obliged to rectify any defects resulting from manufacturing errors or material defects.

The manufacturer is not liable for defects arising from:

- Modifications or changes made by the user
- Incorrect installation, use, or maintenance that does not comply with the intended purpose and instructions
- Mechanical damage occurring during use

Warning, use the product according to its intended purpose. The product is not a toy and may contain small, protruding parts. Keep out of reach of children.

The inks used during production meet environmental and health certifications, allowing the use of the product in indoor spaces.

The materials used in the product's packaging are made from recyclable materials in accordance with national environmental regulations.

Keep away from heat sources and places directly above or near appliances and equipment that emit heat. The product should be placed in areas not exposed to drafts.

Do not store in rooms with high humidity.

Installation Instructions (EN)

Read the entire installation instructions carefully before proceeding.

Warning! If you have any doubts or questions, please contact the Manufacturer to ensure the installation process is safe and correct.

Safety Precautions:

- **Avoid sharp tools when unpacking:** When removing the poster from the packaging, avoid using sharp tools that may accidentally damage the paper.
- **Caution during installation:** If you plan to mount the poster using screws or nails, make sure that no electrical, plumbing, or other technical elements run through the installation area. If in doubt, consult an experienced person.
- **Wall surface safety:** If using mounting tape or adhesive putty, check their properties to ensure they will not damage the wall surface when removing the poster.

Poster Mounting Recommendations:

Posters should be placed according to their intended use on dry and stable surfaces. It is recommended to avoid places exposed to drafts, high humidity, extreme temperatures, and direct sunlight. The poster should be mounted away from appliances and equipment that emit heat to ensure durability and aesthetic appearance.

Product Unpacking:

- Carefully open the square packaging by removing the cardboard staples.
- Remove the filling materials, then gently pull out the round tube containing the poster. Carefully pull the edge of the plastic sleeve to remove the poster.
- Note: Do not use sharp tools for unpacking, as they may damage the poster.

Optional Framing:

For additional protection, we recommend framing the poster. A frame will help protect the edges and provide greater stability and aesthetic appearance.

Important: Check that the poster is mounted parallel to the wall. Proper installation ensures stability and a clean look, without tilts or protruding elements.

Responsibility:

The person installing should have knowledge and skills in handling tools. Installation and choice of framing style are at the user's own risk. In case of lack of experience, it is recommended to consult an experienced person who can ensure safe and proper installation.

Safety Information

The manufacturer, Arttor Waldemar Błahyj i Leszek Błahyj Spółka Cywilna, informs that the manufactured product meets all safety requirements. The materials used in production are free from harmful substances and have been tested and certified in accordance with applicable standards, ensuring safe use in line with general safety regulations. Arttor has designated Leszek Błahyj as the contact person for product-related inquiries. For additional information or questions, please contact us at: biuro@arttor.pl.
